

AGES 6-8 · KS1

Spellings that trip children up

There is a smaller word hiding in each one

SPELLING 1 OF 3

chare

chiar

chair

Circle the correct spelling, then write it out:

.....

SPELLING 2 OF 3

clud

cloud

clowd

Circle the correct spelling, then write it out:

.....

SPELLING 3 OF 3

friend

freind

frend

Circle the correct spelling, then write it out:

.....

Only one option in each row is right. The wrong ones are the answers children most often give — they are here on purpose, because spotting why a wrong answer looks right is most of the lesson.

Answers, and the fix for each

Every answer here is checked against its source data before this sheet is printed.

QUESTION	ANSWER	THE FIX
Spellings that trip children up · Ages 6-8 · KS1		
chare / chiar / chair	chair	You sit on a chair with your hair
clud / cloud / clowd	cloud	A cloud says it out loud
friend / freind / frend	friend	A friend stays to the end

Where these come from. These are real questions from The Revision Wizard — five subjects from KS1 to 11+. If your child found these useful, the app has rather a lot more of them, and it adapts to what they get wrong.
